

Schiphol now offers free unlimited Wi-Fi access

Schiphol, 1 September 2014

With effect from today, Amsterdam Airport Schiphol offers free unlimited Wi-Fi access in the airport terminal 24 hours a day, 365 days a year. Anyone with a mobile device can use the airport's Wi-Fi network. To login, users should simply select Schiphol Airport_WiFi on the login page.

Schiphol had already been offering free Wi-Fi access for a maximum of one hour since December 2010.
